Who We Are

A non-profit group of like-minded people who want to ensure the existence of Sacajawea State Park in our community into the future so all can enjoy it with friends and families.

Our Mission

To help, teach, promote and protect the park

What We Do

Some of the things we help with:

- Help to provide trees and other items for the park when needed
- Spruce up the park
- Promote the park through events and throughout the community
